3. Evaluation

Preparatory session

The chairperson informed the evaluation committee of the scope of the proposed contract, identified the organisations responsible for preparing the tender dossier, and summarised the essential features of the tender procedure to date, including the evaluation grid published as part of the tender dossier.

Tender opening session

The tender opening report is attached to this report. The evaluation committee only considered those tenders, which were found to be suitable for further evaluation following the tender opening session.

3.1 Administrative compliance

The evaluation committee used the administrative compliance grid included in the tender dossier to assess the compliance of each of the tenders with the administrative requirements of the tender dossier.

[If clarifications were requested for the submissions from any tenderers:]

Tender number	Tenderer name	Summary of exchange of correspondence
252	"Prestigiu AZ" SREL	1 SMS on VIBER about missing certificate regarding the lack or existence of arrears from the national public budget (29.05.2022).
252	"Prestigiu AZ" SREL	1 SMS on VIBER to present manual o quality and other docs on quality (30.05.2022).

The completed administrative compliance grid is attached. On the basis of this, the evaluation committee decided that the following tenders were administratively non-compliant and should not be considered further:

Tender number	Tenderer name	Reason
253	“Alternativa Construct” SRL	The tenderer does not meet the selection criteria. The tender did not presented the tender guarantee.

3.2 Technical evaluation

Technical compliance

Each evaluator on the evaluation committee used the technical evaluation grid included in the tender dossier to assess the compliance of each of the tenders with the technical requirements of the tender dossier. The completed technical evaluation grids are attached.

After discussing the individual conclusions of the evaluators, the evaluation committee concluded that all [2] two tenders were technically compliant

Tender number	Tenderer name
251	”Nouconst” SRL
252	”Prestigiu AZ” SRL

3.3 Financial evaluation

Determination of the amount of the financial offers

The evaluation committee checked the technically compliant tenders for arithmetic errors.

The ranking of the tenders which were not excluded during the evaluation was as follows, in order of the arithmetically corrected financial offers:

Tender number	Tenderer name	Financial offer MDL	Ranking
251	”Nouconst” SRL	29041014,89	2
252	”Prestigiu AZ” SRL	28786526,80	1

3.4 Most economically advantageous tender

The most economically advantageous tender is the technically compliant tender with the lowest price.

4. Conclusion

Receipt and verification of the original Declaration on honour on exclusion criteria and selection criteria and documentary evidence for exclusion and selection criteria

The original signed declaration(s) on honour on exclusion and selection criteria for the most economically advantageous tender and documentary evidence on compliance with exclusion and selection criteria were submitted on 26.05.2022.

The evaluation committee verified the documentary evidence for exclusion and selection criteria for the most economically advantageous tender and the documents were found admissible.

The evaluation committee has ensured that the recommended tenderer or the members in the consortium are not in a situation of exclusion in the early detection and exclusion system.

The evaluation committee has ensured that there is no detection of a recommended tenderer or members in their consortium in the lists of EU restrictive measures¹.

Consequently, the evaluation committee recommends that the contract(s) is(are) awarded as follows:

Tender No	Tenderer name	Financial offer MDL	Contract value MDL
252	"Prestigiu AZ" SRL	28 786 526,80	28 786 526,80
